

FEBRUARY VOLUNTEER NEWSLETTER

Curious George: Let's Get Curious **opens at Discovery Center**

Over 2,000 visitors attended the grand opening weekend (January 27th and 28th) of our newest traveling exhibit: *Let's Get Curious!* Children of all ages had the opportunity to meet Curious George, take a trip to the neighborhood where he lives with The Man in the Yellow Hat, enjoy stories and snacks, browse the gift shop for Curious George souvenirs, and play with banana playdough in the Curiosity Corner. Thank you to all our awesome volunteers who helped out at this two-day event.

There are plenty of opportunities to volunteer throughout the next three months. Come monkey around with us on Thursday, February 8th at our special Pajama Party from 5:30 to 7:30 pm. Assist visitors with monkey games and crafts, get creative with face painting, shake your sillies out at story time and help serve a special bedtime snack.

Get Your Scoopers Ready for Chocolate Sundae Sunday ... **Sunday, February 11th**

We need volunteers to scoop ice cream, pour chocolate sauce and caramel, ladle strawberries, pass out milk, clean tables and assist with Valentine's Day crafts.

There is one volunteer shift from 1:30 pm to 4:30 pm (includes set-up, event and clean-up). And of course, all volunteers get to make their own sundae and enjoy the sounds of the Auburn Jazz Ensemble! If you can help out that day, please let me know!

Mark Your Calendar ...

Discover Engineering - Saturday, February 24th - 11:00 am to 3:00 pm

We are kicking off National Engineer's Week with dozens of real engineers from local firms who are setting up shop in Discovery Center spaces to give kids and adults hands-on experiences. We need volunteers to "play" with vertical wind columns, catapults, bee bots and cubelets. Sign up now!

We are always looking for volunteers!

Do you have friends who want to volunteer at the museum? Have them fill out and return an application. Then join us Saturday, February 10th from 10:30 am to 12:00 pm for volunteer orientation!
