

# Playful Learning at Home!

## Ice Cream Craft

### Items you will need:

- Template
- Glue stick
- Scissors
- Markers, crayons, colored pencils, or other art supplies

Show us your work!

If you make this at home, post a picture of your craft on social media with #DiscoveryCenterScience

### To do from home:

- Print out the template.
- Color in the ice cream scoops and cone shape, and cut them out. Or, cut out the shapes, trace them onto a colored piece of paper, and cut them out.
- Using art supplies, add details such as sprinkles, chocolate chips, lines in the cone, etc.
- Once you're done decorating, glue the ice cream scoop to the cone. If you'd like, add multiple scoops of ice cream to your cone!
