NEW EXHIBIT COMING SOON ...

June 10th - September 3rd

Discovery Center will open a new temporary exhibit this summer in Woodward Hall. This interactive exhibition will transport families from the present day hustle and bustle of Tokyo to the more traditional tranquil Shinto shrine park environment. *Hello From Japan* has something for everyone! Visitors can design playful mascots, practice writing Japanese, sing along to songs in the karaoke booth, make a wish at the large Wishing Tree, get their fortune told and encounter a few of Japan's kami spirits.

Invite a Friend to Volunteer!

Discovery Center Museum is always looking for more volunteers. Do you have a friend or family member who would like to help out? Have them fill out and return an application. As soon as I receive it, I'll invite them to attend an orientation session. Our next training session will be on **TUESDAY, JUNE 20th** from 12:00 to 1:30 pm.

Thanks!
Sue
