

# MARCH VOLUNTEER NEWSLETTER

## Volunteers Do Make a Difference ...

From making x-wing fighters to scooping ice cream, our volunteers have already been busy in 2019. Our weekend programs can draw crowds of a few hundred to over a thousand people. Volunteers are vital to making these special events run smoothly. Our volunteers help set-up, greet our guests, assist at activity stations, provide instructions and directions to visitors and clean up when everyone leaves. Over 80 volunteers have provided 260 hours of service for our first three events of the year: *Star Wars Sunday*, *Chocolate Sundae Sunday* and *Discover Engineering*. We could not provide the level of service we do without their assistance. Thank you to all our great volunteers!
