

3D Spring Art

Items you will need:

- Template
- Scissors
- Glue stick
- Markers, crayons, or colored pencils
- Paper

Show us your work!
If you make this at home,
post a picture of your
artwork on Facebook or
Instagram with
#DiscoveryCenterScience

How to:

- Color in the template.
- Cut out the shapes and then fold them each in half.
- Using a glue stick, add glue to half of one of the folded shapes. Then line up and glue another of the same shape onto it. Continue adding glue and the corresponding shapes until all 3 have been glued together.
- Glue the 3D shapes you just put together onto a sheet of paper.
- Add other details with markers, crayons, colored pencils, or other art supplies you have at home.
