When I go to Discovery Center Museum

Discovery Center Museum is a fun place to see and do many activities.

I will check in at the front desk.

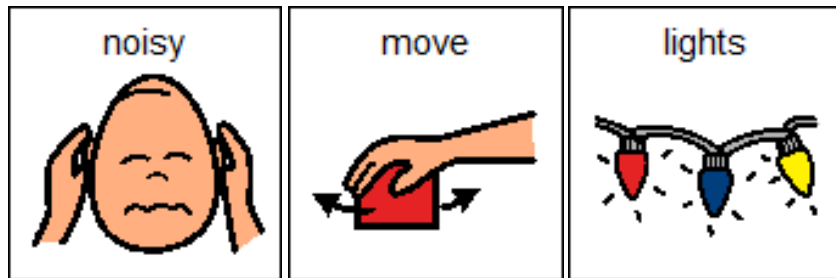

I will hang my coat in the coat room. I will leave extra items in the coat room. My hands will be free to explore.

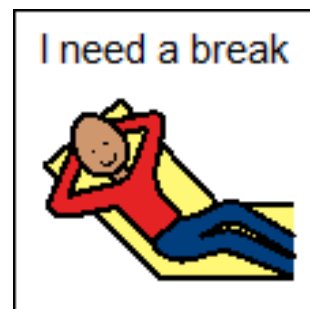

There are many great things for me to see and do at the museum.

Some things make sounds, others move or have bright lights.

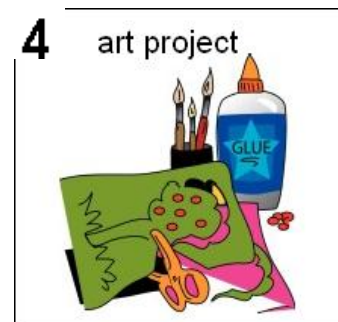

I can use my words to leave an activity if I need a break.

There are many places to take a break.

1. I can read a book/quiet time.
2. I can eat a snack in the lunch room.
3. I can go to the bathroom.
4. I can do an art project.

I will have a great time at Discovery Center Museum. I may have a choice to visit the Museum Gift Shop.

When I am all done, I will get my coat and extra items from the coat room and leave.
